Professional Summary

Backend Software Engineer with **4 years of experience** in production-grade distributed systems, now specializing in **fintech infrastructure** and real-time credit decisioning at a lending-tech startup. Skilled across **Java, Python, Spring Boot, and Kafka** with a strong focus on **high-throughput API design, scalable architecture, and reliable backend systems**.

Technical Skills

- **Languages:** Java, Python, SQL
- **Backend & Architecture:** Spring Boot, FastAPI, REST APIs, Microservices, Distributed Systems, Real-Time Processing, Apache Kafka
- **Data:** PostgreSQL, Relational Data Modeling, Query Optimization
- **Cloud & DevOps:** AWS, Docker, Kubernetes, Jenkins, CI/CD, Git
- **Quality & Ops:** JUnit, Mockito, Grafana, Jira, TDD, Production Support, Incident Management

Experience

Software Engineer (Apr 2026 – Present)

Scienaptic AI

- Building and scaling core **real-time credit decisioning infrastructure** (IRIS platform) capable of processing **millions of credit decisions** with low-latency and high reliability.
- Developing and maintaining **Python-based APIs and connectors** to seamlessly integrate the AI decisioning platform into clients' **Loan Origination Systems (LOS)** and lending ecosystems.

Software Engineer, Consultant 4B (Aug 2022 – Apr 2026)

Genpact

- Architected and owned **5+ interdependent backend microservices** end-to-end – from API contract design and service boundaries to deployment and production support – ensuring scalability and maintainability.
- Delivered **20+ production features** for an enterprise platform serving **2,000+ users**; led backend of a **Savings Idea Management Platform** adopted by **10+ business units** for cost-saving intake and reporting.
- Owned **on-call incident response** resolving multiple high-severity issues under SLA; drove system design discussions proposing **scalable architectures** aligned with future growth.
- Mentored **3+ junior engineers** via code reviews and design guidance; promoted **Consultant 4A → 4B** and recipient of **Genpact Bronze Award (2023)**.

Education

VIT University, Vellore (2022)

Bachelor of Technology in Electrical and Electronics Engineering

CGPA: 8.79

Certifications

- AWS Certified Cloud Practitioner
- OCI AI Foundations Associate — OCI Generative AI Professional
- Oracle Analytics Cloud 2025 Certified Professional
- Google Cloud Generative AI Leader
